Good morning John,

We are getting our response together for the comments you sent on the Barr Lane project (#20-28538). In response to comments 1, 2, and 44, we have been in contact with Mo Mortazavi in the public works department to get details about the arterial roadway A. We currently have a 30-ft County ROW near Barr Lane going through the property and we are curious to see if the County would be interested in vacating that ROW so we can dedicate the larger ROW for Arterial A. I'm sure there need to be further discussions on this and I'm wondering if you are the proper contact or if there is a County real estate representative that we can get in touch with?

Thank you,

Whitney Schwope
