Subject: FW: 20-28538 Barr Lane Project

Mohammad,

Do you remember if they asked you about vacating this easement? It falls outside of their planned quarry, but would impact the old multifamily project. I have asked them to send me a copy of the easement. But I am planning on telling them we will not vacate the easement. This is a way utilities could get to the adjacent property.

Thank you,

John Routh, P.E., PMP

I apologize John I should have sent this in the first place. The 30' ROW that we are requesting to be vacated is within the subject area, see highlighted portion of the survey below:

Morning Whitney,
Roads near Barr Lane are Cameron Road and Springdale Road. The County will not vacate these roads.

Thank you,

CAUTION: This email is from OUTSIDE Travis County. Links or attachments may be dangerous. Click the Phish Alert button above if you think this email is malicious.

Good morning John,

We are getting our response together for the comments you sent on the Barr Lane project (#20-28538). In response to comments 1, 2, and 44, we have been in contact with Mo Mortazavi in the public works department to get details about the arterial roadway A. We currently have a 30-ft County ROW near Barr Lane going through the property and we are curious to see if the County would be interested in vacating that ROW so we can dedicate the larger ROW for Arterial A. I'm sure there need to be further discussions on this and I'm wondering if you are the proper contact or if there is a County real estate representative that we can get in touch with?

Thank you,

Whitney Schwope
